Road hazard protection

Protect yourself and your tires.

Flat tires are the most common cause of vehicle breakdown.

Benefits:

- 100% direct reimbursement for flat tires and rim repair.
- Covers all tires on your vehicle for the entire term of your contract.
- Also covers cost for mounting and balancing, plus all taxes.
- Pays up to \$100 in emergency road service charges.
- No pro-rating. Zero deductible.

Protect yourself against:

- Blowouts
- Nails, screws and other road debris
- Metal and glass
- Potholes

Key & remote replacement

Don't lose sleep over lost keys.

Vehicle key locking systems have advanced technology built in and are expensive to replace. If your keys are lost, stolen, or destroyed Final Coat will cover the cost of a replacement.

See actual warranty for specific coverages.

Windshield protection

Repair or replace, we'll help you see the road ahead.

Don't wait – repair those cracks and chips on your windshield from road hazards. If repair is not possible, your deductible for windshield replacement will be paid by Final Coat to a maximum of \$500.

See actual warranty for specific coverages.

Dent & ding protection

Park anywhere without fear.

Don't live with minor dents and dings. Final Coat will pay for any dents and dings deemed repairable by the paintless dent repair (pdr) process. With up to \$1,000 of coverage per vehicle and no limit to the number of claims, you don't have to wait to have your vehicle repaired.

See actual warranty for specific coverages.

Rips, tears & burns

For life's little accidents.

Accidents will happen, but with Final Coat you don't have to live with them. Coverage against accidental rips, tears and burns on your vehicle's fabric or leather seats.

See actual warranty for specific coverages.
